Premium
uPVC Door & Window Solutions

- Apollo Pipes (APL) commences commercial production of “uPVC Doors & Windows” at Dadri, Uttar Pradesh to strengthen its product portfolio in home improvement segment.
- This product line will add 250+ SKUs with 4,000 Ton per annum capacity.

Noida, July 14, 2025: Apollo Pipes Limited, among the top 6 leading piping solution providing Company in India, proudly announces the successful production of its first batch of **“uPVC Doors & Windows” at its Dadri, Uttar Pradesh** facility. This milestone marks APL’s strategic entry into a niche and specialized segment, reinforcing its commitment to innovation and market responsiveness.

By leveraging its advanced infrastructure and technical expertise, APL aims to deliver high-quality “Doors & Windows” while ensuring cost-effectiveness and operational agility. With few players in this specialized market, APL’s entry highlights its ambition to lead in high-value segments driven by innovation, quality, and engineering excellence.

Capacity & Target Market: The new facility has an installed capacity of approximately 4,000 Ton per annum with 250+ SKU’s and is primarily focused on serving the northern Indian market, as APL continues to expand its nationwide footprint in manufacturing, marketing, and distribution.

Commenting on the development, Mr. Sameer Gupta, Chairman cum Managing Director, Apollo Pipes (APL) said,

“This strategic investment reflects our commitment in diversifying our product portfolio and strengthening our presence in high-value segments like the window and door market, which offers higher EBITDA margins. As a result, this expansion is expected to be value accretive. With this move, APL will become one of the few manufacturers in India with capability to produce specialized windows and doors, positioning itself amongst an elite group of technologically advanced players. The new production line will allow us to introduce over 250+ SKUs, greatly enhancing our ability to serve complex and customized infrastructure needs. Supported by our well-established distribution network and strong execution capabilities, we are confident in our ability to rapidly scale up this segment.”

Applications: Some of the applications of these profiles are:

Casement Doors & Windows

Sliding Doors and Windows

Villa Windows

Tilt and Turn Windows

Bi-Fold Doors

Lift and Slide Doors
